International Congress „Perspectives on Ageing with Intellectual Disability“

21st and 22nd March 2014

International Congress "Perspectives on Ageing with Intellectual Disability", Dortmund, Germany, March 21-22, 2014

At this congress current social and medical issues will be presented and discussed at state-of-science- level by a group of prominent researchers. On the first day priority will be on social issues, the second day on medical ones. There will be presentations on state of science in the morning and workshops held on the topic by the same presenters in the afternoon (see program). Conference language will be English.

Presenters

- Jerome Bickenbach (Geneva),
- Tonnie Coppus (Rotterdam),
- Phil Davidson (Rochester),
- Heleen Evenhuis (Rotterdam),
- Meindert Haveman (Dortmund),
- Tamar Heller (Chicago),
- Matthew Janicki (Chicago),
- Mary McCarron (Dublin),
- Arie Rimmerman (Haifa),
- Henny van Schrojenstein Lantman-de Valk (Nijmegen),
- Reinhilde Stöppler (Gießen),
- Gerard Quinn (Galway).

We look forward to your participation.
